Student Assessment for Yukon Flats Vocational Education Center
Student Discussion Group Permission Form
Academic Year 2009-2010

Students participating in the Yukon Flats Vocational Center's programs will be asked questions about their educational experience at the center in a group discussion with other students. Information from the discussion group will be used to evaluate and improve the programs offered.

An evaluator outside the school system is overseeing the discussion group which will be recorded for accuracy. Students names will not be used in any report and all student names will remain confidential. All recordings, photos and reports will be stored in the office of Evaluation Research in Fairbanks.

Evaluation Research is under contract to the Yukon Flats School District to conduct an evaluation of the Fort Yukon Vocational Education program funded by a United States Department of Education Alaska Native Education Grant. If you have a question about this discussion group please contact kas aruskevich at the address below.

I, _____ hereby give my permission for my
child: _____ to take part in a
discussion group when attending educational courses or enrichment activities at
