**Student/Parent Contract to Abide by Rules and Regulations**

I, \_\_\_\_\_, hereby accept admission into the Yukon Flats Vocational Education Center's course offering titled \_\_\_\_\_ that will run on the following dates: \_\_\_\_\_.

I understand that the Yukon Flats Vocational Education Center will provide my round trip transportation between my home and Fort Yukon, room, board, and other costs normally directed to my participation in Yukon Flats Vocational Education Center program, except my personal expenditures.

I understand that I could be sent home for the violation of federal, state, or local laws, or of YFVEC rules stated in this contract.

I agree to make participation in YFVEC program my priority for the entire time I am enrolled and to abide by all rules of YFVEC including, but not limited to, the following:

1. Any use and/or possession of any alcoholic beverages and illegal drugs including marijuana is prohibited; I understand that this rule is strictly enforced and that violation will result in expulsion and/or arrest.
2. Possession and /or use of any tobacco products is PROHIBITED under the age of 19, by state law. YFVEC do strictly enforce this state law.
3. Pets, firearms, ammunition and explosive materials are not allowed in the dorm or on school grounds.
4. Actions, including fighting, which may cause harm to others or property damage, including disfiguration to buildings are prohibited.
5. I will reside in the YFVEC dorm and will remain on the school campus for the duration of the program, except:
  - a. During class trips and scheduled recreation events.
6. I will leave campus only with YFVEC staff. NO EXCEPTIONS.

7. Academic dishonesty (cheating in writing papers and during examinations) is a serious offense. All academic work that I will submit will be the result of my own thought, research and self-expression. In my written assignments, I will acknowledge the source of any ideas, organization or wording that I use from sources that are not my own.
8. I will willingly abide by dorm rules established by YFVEC including, but not limited to, a ban on possession and use of tobacco products, curfew, and quiet hours.
9. I agree to make all reasonable attempts to immediately inform YFVEC of any change in plans which result in cancellation of my participation in the program. I understand that failure to inform YFVEC of cancelled plans could result in considerable financial loss to YFVEC and to my family and me; it will also deny the opportunity for another student to attend YFVEC, and will result in my and my parents being billed for any such losses. I understand that I and/or my parent/guardian will be responsible to reimburse YFVEC for any such losses that result from such failure to notify YFVEC of cancellation of plans.
10. I understand that if I choose to leave YFVEC's program before its conclusion that I will pay for my own ticket or transportation costs home ( except in the case of an exceptional family emergency, where YFVEC will provide transportation).
11. I agree to participate fully and willingly in all academic activities, to attend all classes on time unless prevented from doing so by unusual circumstances beyond my control, and to make my greatest effort to produce the assigned class work. I understand refusal to do so could result in expulsion from YFVEC's program.
